Answers to Frequently Asked Questions About Sharp Memorial Chapel

Q1: Who may rent Sharp Chapel?

Sharp Memorial Chapel is available for weddings to members of the university community (students, faculty, staff, alumni and trustees) for their use and for the use of their immediate families (father, mother, sister, brother, grandparents, children), when the university and chapel calendars permit. Reservations for the year 2018 will be accepted beginning Monday, June 12, 2017, at 8:30 a.m. At that time, Sharp Chapel will begin taking reservations from current students. We will begin accepting reservations from all other affiliates (Alumni, Faculty, Staff, Trustees and their immediate family members) on Monday, June 19, 2017, at 8:30 a.m.

Q2: How much does it cost?

The rental fees for use of chapel facilities are determined by the couple’s affiliation with the university. We accept cash or checks for payment. Checks for rental fees should be made payable to The University of Tulsa. Please include the bride's name and the date of the wedding on the check.

**The upstairs Canterbury Suite is available as a dressing area for the bride and attendants at no additional charge. The Canterbury Suite is a large room on the second floor with a long, interior glass wall that is secured with mini-blinds, which may be closed for privacy. The second floor rest rooms can be used in conjunction with the Canterbury Suite. There is no private space provided for the groom and groomsmen to dress.**

A non-refundable deposit is due at the time the facility is scheduled. Complete payment of fees is due one month prior to the wedding. The rental fees include both the wedding and the rehearsal time. Organists and/or other musicians are paid directly by the bride and groom. Honoraria for clergy are left to the discretion of the couple and minister performing the wedding. While honoraria are not fees, they should generally be budgeted in with other wedding expenses.
Q3: How many people does the chapel hold & what facilities does it have?

The sanctuary seats approximately 250-280 people; 250 on the main floor and 20 to 30 in the balcony. The sanctuary aisle is 75 feet long. There are a total of 38 pews on the main floor, 19 on either side of the center aisle. The walls are brown and buff colored stone. The floors are blue and grey slate. The wooden Tudor arches of the sanctuary extend 42 feet above the floor.

A concert baby grand piano and an organ are available in the sanctuary. The organ was designed and installed by the Schantz Organ Company of Orrville, Ohio. It has three manual consoles with 33 stops, for a total of 1,750 pipes and a set of 25 Deagan Chimes. The pipes and chimes are placed behind screens at either side of the great Chancel Window. They include classic flute and reed choruses, often used in 18th century compositions as well as some of the more recently developed tone colors for playing 19th century and contemporary works. For guidelines about selecting music and organists, see Q5 on page 5.

The prayer chapel seats approximately 20 people, with four pews that may be arranged to suit the couple’s preferences. The Buford Atrium will accommodate up to 50 seated or up to 100 standing guests for receptions. University policy dictates that catering for all events on campus must be provided by the SODEXO Dining Services Department. For catering information, contact Suzanne Mulherin, Dining Operations Assistant, at 631-2145.
There is no private space provided for the groom and groomsmen to dress. The bridal party may use the Canterbury Suite on the second floor at no additional charge for dressing or waiting. The ladies room on the second floor is equipped with a large mirror for dressing and make-up.

Q4: May we select our own minister?

Couples are responsible for selecting and contacting the minister of their choice. Clergy or other properly recognized public officials who are registered with the County Clerk’s office are eligible to officiate at weddings in the Chapel. Should the couple wish to have a minister from outside the state of Oklahoma perform the ceremony, that person is required to register his/her credentials with the County Court Clerk’s office. The minister must either present credentials at the clerk’s office or mail a copy of credentials with a stamped, self-addressed envelope for return of book and page number to be used for the marriage license. Any further questions may be directed to the County Clerk’s office at 918-596-5452.

Q5: What are your rules about organists, musicians and sound systems?

The couple is responsible for securing services of musicians for the ceremony. Decisions about music for the ceremony should be made in consultation with the minister conducting the service and the contracted musician(s).

_No large stereos or speakers may be added to the Sharp Chapel sound system. Limit of one CD_ to be played through the Sharp Chapel Sound System.

Only organists who are approved by the University may play the organ for weddings in Sharp Chapel. A list of organists approved by the University is located on Page 9.

The Chapel’s Baby Grand piano is available for use. Anyone may play the piano. Couples may also consider the use of a string quartet or harp.

Q6: What are your rules about photography?

The couple may select a photographer of their choice. It will be important to include the photographer in planning when the wedding pictures should be taken, and what amount of time should be allowed. For example, if wedding pictures are to be taken immediately after the ceremony, time should be allowed for the guests to leave the sanctuary and at least one half hour must be allowed for the photography. And, some time should be allotted to remove gifts, clothing, and all remaining personal property from the building. It is therefore recommended that the wedding begin no later than one and one half hours from the start of the three-hour time period.
Any flash pictures should be taken before and after the ceremony. Please use existing light only during the wedding service, to minimize disruptions.

Video cameras may be stationed in the balcony and on either side of the chancel area. The camera in the chancel area should be on a stationary tripod to avoid movement that might distract from the ceremony.

Q7: What are your rules about using the Atrium for Receptions?

The Sharp Chapel Atrium is available to rent for receptions. The fees vary depending on the couple’s affiliation with the university (see Q2 on page 3 of these guidelines). The Atrium will accommodate up to 50 people in a seated dinner arrangement, or up to 100 guests in a standing arrangement. **Wedding receptions held in the Chapel must be catered by the University Dining Services Department.** (The wedding cake may be brought in by the wedding party.) Catering arrangements and details are available through Sodexo Catering at 631-2145.

**NOTE:** University policy forbids the serving and/or consumption of alcoholic beverages on the Chapel premises.

Q8: What are your rules about decorating the Chapel?

The bride and groom may use the florist of their choice. The following guidelines will help with planning the decoration and use of Sharp Chapel for a wedding.

- **Furniture,** (pulpit, lectern, pulpit chairs, tables, etc.) and/or **Symbols** (Bible, Baptismal font, candlesticks, etc.) **may not be moved or displaced** in any manner. **This rule is non-negotiable, NO EXCEPTIONS!**

- The **communion table/altar may not be decorated.** Communion may be served during your wedding service. Since this is a ritual and sacrament of the church, it is appropriate for these elements to be placed on the Altar. The elements are provided by either the couple or the minister/priest. **If sacramental wine is used, it must be furnished by the minister/priest.**

- **No tacks, nails, wires, metal, staples, tape, or similar harmful items** are to be used to attach flowers, ribbons, or other items to pews, walls or other furniture.
The number of candelabra is limited to 3. This does not include the use of a unity candle. No lighted candles are to be carried in the Sanctuary. The university does provide two brass candle lighters. Persons lighting candles must be at least 12 years of age and/or over 5 feet tall. Candles or hurricane lamps are not to be attached to the pews or used in the aisles nor may they be placed in the windows. Lighted candles are to be used in the chancel area only.

Please inform your florist of the specific three-hour time block for which you have rented the Chapel. Please do not ask permission to come in earlier than the specified time. It is not possible due to other scheduling commitments.

The building will be unlocked at the beginning of the three-hour time block for which you have rented the Chapel. Please do not ask permission to come in earlier than the specified time. It is not possible due to other scheduling commitments. All personal and rented items must be removed prior to locking the facility at the end of the three-hour time block. If your reception is to be held on campus at a location other than Sharp Chapel all personal property should be removed from the Chapel before departing for the reception.

The University of Tulsa assumes no responsibility for articles or equipment left unattended during or after the wedding and reception. Any articles found following your wedding/reception, will be given to the Chaplain’s Office. Call 631-2546 to check on lost articles.

Smoking is not permitted anywhere inside the chapel building.

Food and beverages are not allowed in any part of the Sanctuary or Prayer Chapel. University policy forbids the serving and/or consumption of alcoholic beverages on the Chapel premises.

Makeup may only be applied in the women’s restroom area.

Birdseed, rice and/or real rose petals are not to be thrown or scattered inside or outside of building. (We allow silk rose petals to be scattered in the aisle by your flower girl if desired.)

The rules presented in these guidelines apply to all individuals associated with your wedding.
Sharp Chapel accommodates visitors with physical limitations with an automated double doorway on the South side of the Buford Atrium, wheelchair-accessible spaces on several pew aisles, and with widened stalls in the public restrooms.

Q9: Where may we park?

A map showing the campus location of Sharp Chapel is included in this wedding packet.

Suggested parking areas include:

- The Westby Center Lot at 7th and South Evanston
- The McFarlin Lot at East 5th Place and South Florence

Visitors to the University of Tulsa campus may park in any legal parking space (no red curbs, no handicap spaces, please!). In the unlikely event that anyone in your party is ticketed while parked in a legal space in a campus lot, contact the Chaplain’s Office at 631-2546.
Sharp Chapel Organist/Pianist list

**Suggested Guidelines:**

1. A definite fee or honorarium should be agreed upon in advance of the rehearsal and wedding, based on the amount of time which will be required for music requested.

2. Make a commitment to the organist/pianist and abide by your decision. The honorarium agreed upon should be given to the organist or the pianist at the time of the rehearsal.

**NOTE:** The following organists have been approved to play for weddings in Sharp Chapel.
