

Setup your first Office Hours block

The first time you log in to Starfish, Starfish will provide a ‘wizard’ to walk you through setting up your office hours, which enables students to schedule time with you. If you do not wish to complete the wizard just yet, check the box labeled “**Show me this Office Hours Setup Page again next time I login if I don’t have any Office Hours**”, and then click the **Close** button.

The screenshot shows the Starfish interface with a blue header containing a search bar and a system announcement. The main content area is divided into two columns. The left column contains introductory text about scheduling and a call to action. The right column is the 'Office Hours Setup Wizard' with three numbered steps: 1. 'What day(s) do you have office hours?' with checkboxes for days of the week; 2. 'What time are your office hours?' with input fields for start and end times; 3. 'Where are they?' with a dropdown for 'Type', an input for 'Details', and an input for 'Instructions'. At the bottom, there is a checkbox to show the setup page again and two buttons: 'Close' and 'Set up Office Hours'.

If your office hours are different week to week, follow the “**If your office hours don’t repeat weekly, [click here](#)**” link.

If your office hours recur:

1. Complete the fields presented to specify:
 - **What day(s) do you have office hours?** - check the boxes for each day.
 - **What time are your office hours?** - enter a start and end time.
 - **Where are they?** - select the **Type** of setting and enter the **Details** in the field provided (e.g. the building and room number of your office). If relevant, provide **Instructions** for students who make appointments with you.
2. Click the **Set up Office Hours** button to save your office hours.

Notes:

To setup additional office hours or make any changes, use the buttons on your **Home** or **Appointments** page to **Add Office Hours, Add Appointment, Add Group Session, Event, Reserve Time** or use the **Scheduling Wizard**.
